The Student Nurses Association End of Year Celebration: "What Our Students Had to Say!"

A Message from the Dean:

As the Dean of the BSC School of Nursing and Allied Health I am proud of the quality of our Nursing program. The faculty are hardworking and dedicated professionals who desire to see the students not only succeed but to excel in the field of Nursing.

We look forward to the continued success of the Associate and Bachelor degree Nursing programs provided by BSC.

~Dr. Angela Lambert – Dean School of Nursing and Allied Health

Student Testimonials:

It was great! It was also convenient because I live in McDowell County and attended classes on the main campus. ~Felicity Auville, May 2019 Nursing Graduate, Bluefield State College Main Campus

I think that the Erma Byrd Center is extremely valuable to the community! The nursing program is a very hard program; however, I specifically chose the Bluefield State College nursing program because some of the best nurses that I have ever worked with are Bluefield State College graduates! ~Susan Fleming, May 2019 Nursing Graduate

It has been good! It has been convenient! And, I loved my Instructors! ~Lindsey Quick, May 2019 Nursing Graduate
