

## The Erma Byrd Center Faculty Spotlight is on Bluefield State College Radiologic Technology's Amy Bennett, Instructor/Clinical Coordinator

An Interview with Bluefield State College's  
Amy Bennett, Instructor/Clinical Coordinator  
by Lisa Moten, Erma Byrd Center Director

Lisa Moten: How long have you been teaching at the Erma Byrd Center?

**Amy Bennett:** *Five years! And, I am very appreciative of the opportunity that I was given to teach!*

Lisa Moten: What do you enjoy most about teaching at the Erma Byrd Center/WVHEPC's Allied Health Wing?

**Amy Bennett:** *Working with the students! And, we have an amazing faculty that are great to work with too!*

*With regard to the WVHEPC's Allied Health Wing, I am pleased how Bluefield State College, Concord University, and New River Community & Technical College have come together (cooperatively) in the provision of and support of educational program opportunities in the allied health fields. And, last but not least, I am very excited about and enjoy working in our new energized laboratory!*

Lisa Moten: Share your best teaching tip to keep students engaged in learning.

**Amy Bennett:** *I use technology to show x-rays so that students can critique and explain what they are seeing (providing opportunity for discussion and questioning) while increasing their understanding of the content.*
