

The Erma Byrd Center Student Spotlight: Meet John Linkous!

What do you like about taking classes at the Erma Byrd Center? *I really like the atmosphere at the Erma Byrd Center. The classes are relatively small; so, if you need extra help the instructors can provide that. It is also close to home, which is great for me. Going to the Erma Byrd Center has allowed me to pursue a degree without all the distraction that you have at a big university.*
